Host University

Shree Guru Gobind Singh Tricentenary University, Gurugram, commonly called SGT University, spreads over 70 acres of lush green campus enveloped with serene beauty and environment. The University is situated at Chandu-Bhudera on the outskirts of Gurgaon, it is less than five kilometers from Delhi border at Daurala and has an easy and convenient access from Indira Gandhi International Airport.

SGT University came into existence making educational opportunities available to all segments of the society under the parasol of Dashmesh Educational Charitable Trust, which was founded in 1999 with the holy cause of propagating the message of Shree Guru Gobind Singh Ji, the great philosopher and social reformer which says “Spread of Learning is The Best Service to Mankind”. In fact, the seeds for its magnificent growth were sown way back in 2002 with the establishment of the SGT Dental College.

The most valuable investment any educational institution can make is “Nurturing Future Leaders”. With the continuous rise in expectation of essential leadership standards, SGT University torch bearers have taken a responsibility for this investment to nurture the NextGen leaders with a vision to bridge the existing skill gap. With a firm step forward to attain an academic excellence, several Centers of Excellence, laboratories, incubation cell and industry-academia associations have been setup at the SGT University in association with global leaders. With dedicated approach and academic collaborations with industry leaders the University is committed to develop naturally confident young innovative leaders who will weave career advancement opportunities through continuous learning & development, support and experience.

The modern infrastructure and learner centric andragogy at SGT University extend full support to the learners and are focused to invest more in “Nurturing Future Leaders” . SGT University is determined to inculcate Domain Specific Skills and Soft Skills to our emerging innovative leaders and make them future ready.

Accreditations are benchmarks which the University always strives to achieve, better them and also maintain them. In our endevours to achieve excellence, SGT University has been rated as “DIAMOND” by the QS I Gauge during the assessment year 2021-22. Individual institutions are excelling in their areas and being recognised at various platforms like NABH, NABL, NIRF and other Educational Ranking Forums.

Host Faculty

Faculty of Dental Sciences started, as SGT Dental College Hospital & Research Institute in 2002 is a frontline Dental College with its excellent infrastructure, state-of-the-art equipment. Highly qualified experienced faculty has carved a niche for themselves in the field of dentistry aiming to develop multi-dimensional pursuance in advanced knowledge of dentistry, commitment to excellence with moral & ethical values.

All nine departments in Faculty of Dental Sciences have highly experienced and energetic faculty members with ethical and scientific mind-sets to carry forward the science of Dentistry, laying high quality stress on Research & Innovation in Dentistry and Applied Sciences. Majority of the faculty members are pursing extramural research works of their choice of specializations. Few patents have also been granted. The faculty has various advanced clinical skill-based equipment including CBCT unit, Microscope Enhanced Dentistry units, Mobile Dental Van, Dental Xpertz Clinic Setup, Surgical & Allied support, Cleft Center, Implantology Unit, Major and Minor Operation Theatres, Special Child Clinic and full component enough dental chair units in each department making it a perfect environment for good clinical exposure and value-based experiential learning. Preclinical and Oral Pathological Laboratories assist in appropriate skill development and Inventories like LASER, RVG’s, X-Ray units, Conscious Sedation Unit, Orthodontic Need Analysis Equipment and Carbon Monoxide Monitor are other supportive equipments.

Host Department

The Department of Public Health Dentistry believes in planning and executing targeted goals so that we can perform our duties as health care clinicians to alleviate the enormous levels of dental diseases from all the age groups of the society. Along with dealing in general dentistry at the out-reach levels we also engage in research on oral health care. The role of Public Health Dentist is equally important in today's world as we can make the dental care facilities available to the masses & needy people, to whom these services are not available at approachable & affordable standards. We at SGT University with an excellent and progressive academic environment are engaging in innovations and start-up ideation too.

The Youth of today looks for an educational step in his/her life where the passion can be driven to excellence. The parents wish to endure their child's passion and ensure safety for them. We at SGT University strive to provide just this to our aspirants who are the contributory leaders of tomorrow for our existence and the country's future.

Welcome to SGT University

Dear **Indian Association of Public Health Dentistry Members,**

Warm Greetings from SGT University !

After the huge success of the National level scientific extravaganza organized at Goa, the Indian Association of Public Health Dentistry juggernaut moves to SGT University, Gurugram. The 27th Edition of this National Scientific Conference would be organized at the lush green campus of SGT University where each student meets his/her academic excellence during the formative years of persona development. The skill set imparted over the campus with a wide paradigm of academic, scientific, social and cultural parameters in conjunction with up-to-date Industrial exposure awaits all the delegates of this conference in the early Winter of 2023.

With open arms, we extend a heartfelt Welcome to one and all in joining hands with us to celebrate this momentous extravaganza.

About the City

Gurgaon was historically inhabited by the Hindu people, and in early times it formed a part of an extensive kingdom ruled over be Ahir clan. In Earlier History is told that it was the Village of Guru Dronacharya who was the Teacher of Kauravas and Pandvas. In 1947, Gurgaon became a part of independent India and fell under the Indian state of Punjab. In 1966, the city came under the administration of Haryana with the creation of the new state.

Gurgaon, officially named Gurugram, is a planned city located in the northern Indian state of Haryana. It is situated near the Delhi–Haryana border, about 30 kilometres southwest of the national capital New Delhi and 268 kmsouth of Chandigarh, the state capital. It is one of the major satellite cities of Delhi and is part of the National Capital Region of India.

Gurgaon is India's second largest information technology hub and third largest financial and banking hub. Gurgaon is also home to India's largest medical tourism industry. Despite being India's 56th largest city in terms of population, Gurgaon is the 8th largest city in the country in terms of total wealth. Gurgaon serves as the headquarters of many of India's largest companies, is home to thousands of startup companies and has local offices for more than 250 Fortune 500 companies. It accounts for almost 70% of the total annual economic investments in Haryana state, which has helped it become a leading hub for high-tech industry in northern India. Gurgaon is categorised as very high on the Human Development Index.
