# SINHGAD INSTITUTES

Sinhgad Institutes has more than 12 Campuses, 7,000+ Employees, 85 Institutes, 26 Schools, 70,000+ Students with more than 30 Years of Academic Excellence. The entire Sinhgad Group has convincingly evolved, into the most sought-after education destination. The campuses consist of dental, medical, law, pharmacy, MBA, Engineering, schools etc. Every Institute has an independent presence with enviable state-of-the-art infrastructure and all the facilities and resources, to label it an ideal place for learning. Invariably every campus has an impressive Research Centre and extensively stocked Library. It Comprises Institutes in its fold, run by capable and qualified resource people, drawn from various disciplines. The entire Sinhgad Educational conglomerate continues in its search for excellence.

## SINHGAD DENTAL COLLEGE & HOSPITAL

The premier institutes established as recently as 2006, SDCH had already made its mark due to the top of the line well maintained infrastructure, well qualified and extremely motivated faculty, supporting staff and ample clinical material. We have MDS and PhD course approved under MUHS in all the 9 dental specialities. We have recently proved our excellence by securing "A" Grade by NAAC. We have also taken a step to get our hospital services accredited with NABH-DHSP in the coming future. Our college boasts of having treated over 1,50,000 patients treated annually totally free of cost. Affiliated with the Maharashtra University of Health Sciences (MUHS), Sinhgad Dental College offers undergraduate and postgraduate programs in dentistry, shaping the next generation of dental professionals.

## DEPARTMENT OF PUBLIC HEALTH DENTISTRY

The department is active and booming with various activities. MDS was started in 2013 and PhD in 2023, over 600 camps have been conducted by the department so far and over 25 school adoption programs, over 50 field visits unit and TCC cell is fully operational under the department. We have 2 satellite centres and well-equipped museum and mobile dental van for carrying out various outreach programs. The department faculty are approved MUHS resource faculty for Research Methodology and Teachers Training. The Department focuses on promoting oral health at a community and population level. This department is responsible for educating dental students about public health principles, epidemiology, research & statistics, health promotion, and disease prevention related to oral health. Students often engage in community outreach programs, dental camps, and projects aimed at improving the oral health of the surrounding communities. This practical exposure allows students to understand the challenges and opportunities in addressing oral health issues on a broader scale. Faculty members in the Department of Public Health Dentistry often conduct research related to community oral health, preventive strategies, and health policy. We collaborate with government agencies, NGOs, and other healthcare organizations to implement oral health initiatives.

Dr. Silpi Chatterjee  
Dr. Kushal Shinde  
Dr. V Rajeshkumar Darsi

## ABOUT THE CONVENTION

**Ideate, Innovate, Implement, Integrate and Inspire - A Public Health Dentist Way**

These five words Ideate, Innovate, Implement, Integrate and Inspire represent a powerful cycle in the process of creating and developing new ideas and solutions. The 15th IAPHD National PG Convention is committed towards Innovation in dentistry which can contribute significantly to achieving various Sustainable Development Goals (SDGs) set by the United Nations. Innovation in preventive dentistry, such as advanced diagnostic tools and early detection technologies, can contribute to better oral health outcomes. E-learning platforms and simulation technologies can provide accessible and cost-effective educational resources for oral health professionals worldwide. Advancements in dental materials, 3D printing, and digital technologies contribute to the innovation and infrastructure goals within the dental industry. Innovation in dentistry can play a crucial role in achieving several Sustainable Development Goals by improving oral health, promoting education and gender equality and encouraging global partnerships. This cycle is often iterative, with feedback from each phase informing the others. It's a dynamic process that encourages continuous improvement and adaptability, key elements for success in a rapidly changing world.

# ABOUT PUNE CITY

The city embraces a cosmopolitan lifestyle while retaining its traditional roots, evident in the juxtaposition of ancient landmarks. The city is surrounded by various touristic and religious destinations like Lonavala, Khandala, Panshet, Mahabaleshwar and Shirdi. Explore the historic Shaniwar Wada, visit Aga Khan Palace, and Savor local cuisine at the bustling street markets. Don't forget to and take a scenic drive to Sinhgad Fort for panoramic views. Visit Dagadusheth Halwai Ganpati Temple, renowned for its grand Ganesh festival celebrations. There's also the historic Chaturshringi Temple, the tranquil Pataleshwar Cave Temple, providing a spiritual dimension to Pune. Pune is also a thriving IT and industrial hub, contributing significantly to India's economic growth. Surrounded by picturesque hills, Pune offers a pleasant climate and numerous recreational opportunities. The nearby Western Ghats provide ample trekking and adventure possibilities, while the city itself boasts parks, museums, and a lively nightlife. Pune is a city that seamlessly marries tradition and progress, making it a unique and dynamic destination that captures the essence of India's diverse and evolving identity.
