Dear Colleagues,

Greetings

The Organizing Committee is proud to host the 26th IAPHD National Conference 2022 at the Entertainment Society of Goa, Panaji on 23rd, 24th & 25th September 2022. We are extremely delighted and consider it an honor to welcome you all to the beautiful state of Goa.

The theme for the conference is **Oral Health for All: Inclusive and Sustainable!** We recognize oral health as a key indicator to general health and well-being. However, several populations still struggle to access basic oral health services. With concepts of equity, prevention, oral health promotion, community participation and many more, we strive to achieve Oral Health for All. This theme aims at improving the oral health, reducing disparities, and overcoming barriers among our populations. Through deliberations and conversations, sharing of ideas and views, we hope to continue on the path of oral healthcare for all.

We believe that you deserve the best. Hence, we will leave no stone unturned to make this conference an enriching experience, in terms of academics, research, collaborations and hospitality. We are sure you will have an exceptional time and take back pleasant memories of this 26th National Conference.

We look forward to the pleasure of greeting you at an exciting and fruitful conference.

Welcome to Goa!

Warm Regards,

Organizing Committee
